PROFILE

I am working with html/css/js starting from the **2019**.
My current stack of technologies is: **HTML, CSS, JavaScript, Sass, Git, Gulp.**
I am studying JS with Vladilen Minin, Alex Luschenko, HTML Academy and Wes Boss.

ABOUT ME:

For more than 10 years I have been working as a lawyer in a state organization. In addition, in 2016, I took up the profession of manage in social media marketing. I set up targeted ads. In 2019, I started learning html, css, java Script. I constantly study with the best specialists in this field. I'm currently looking for my first job in the world of web development

I prefer a healthy lifestyle.
In my spare time I am studying css with Rachel Andrew, Java-Script with Wes Boss, doing self- development activities.
I am free of the bad habits.
I have an experience in public speaking (starting from 9 up to 150 audience).
I have a son - Lev, he is 2 years old, and wife - Nastya
I have a pug)
Also I have experience in social media marketing
